Re: 7:19-cv-11340-KMK-JCM Torres v. Ardsley Union Free  
School District

Dear Judge Karas,

I represent plaintiff in the above referenced matter. I write to respectfully request an adjournment of the conference currently scheduled for February 24, 2021 at 11:30 a.m.

The reason for the request is that discovery is not yet complete. The February 24<sup>th</sup> conference was originally scheduled close in time to the first discovery deadline. By your January 15, 2021 Order, the discovery deadline was extended to March 30, 2021. Magistrate Judge McCarthy recently held a conference with the parties, on February 19<sup>th</sup>, and the parties are well on their way to complete discovery by March 30<sup>th</sup>. Therefore, there are currently no issues amongst the parties to resolve. Accordingly, the parties request that the February 24<sup>th</sup> conference be adjourned.

Defendant consents to this request. Thank you for your consideration of the request.

Very truly yours,
